

## **Team Meeting Summary**

Meeting Date: Oct 11<sup>th</sup>,2024.

Meeting Time: 10:30 PM.

Meeting Duration:30 Min.

### **Participants:**

- Rishika Dudipala.
- Shiva Sai Kodandapuram.
- Aravind Chitiprolu.
- Ravali Kudaravalli.
- Sreshta Chityala.
- Ramya Madhavareddy.
- Rajini Vijetha Rudrarapu.
- Gayatri Vigna Penmesta.
- Trisha Reddy Nidjintha.

### **Main topics of Discussion:**

- We first thoroughly went through deliverable 3. And discussed each section so that all the members in the group can get clarity, which is very useful in this deliverable.
- We divided the tasks among us and we divided internal groups so that we could work on assigned task and discuss the things that needed to be done. We discussed the milestones and objectives that need to be done.
- We recalled the things in deliverable 2 and decided not to repeat the small mistakes in this deliverable.
- We discussed each part in a detailed way, discussed the changes in our project, and updated it. We discussed the code and API's.
- We also discussed the class diagram, sequence diagram, and other diagrams and what attributes and methods we need to use to reach teams' goals.
- We also discussed the test cases and code functionalities and all the requirements that need to be done.
